Book a Table and Join the Conversation!

Take your networking to the next level in comfort and a relaxed atmosphere. Book your own Cruiser Table and stock it with small items, such as a few company brochures and perhaps some promotional items. It's up to you how you make your area truly shine!

We have done away with the complicated and traditional tradeshow set up and are taking it to a whole new level, creating a specific atmosphere geared towards face-to-face, friendly conversation. You will get to meet Rail Shippers, Industrial Rail Operators (i.e., energy, agriculture, and general merchandising), Government Regulators, Risk Management Specialists, Public Sector Transportation Administrators, Public officials, Economic Development Officers, Logistics and Supply Chain experts while sipping on beverages and enjoying hors d'oeuvres, all the while enjoying the sounds of smooth jazz in the background played by the Northwest Trio Jazz Ensemble. It doesn't get better than this sophisticated atmosphere to generate great conversation!

Cost per 30" Cruiser Table: \$250 (plus GST)

This will be reserved for your company and made identifiable as your company's "Conversation Station".

See more about the Networking Reception on our website, www.industrialrailwayconference.com

We look forward to working with you!
